

Rana
GROUP OF COMPANIES

WHO WE ARE

Rana World Group of Companies is a renewable energy solution provider. We specialize in the design and installation of industrial scale power. We provide consultancy service for the design and installation of large scale solar power systems. We sell top quality renewable energy products from world-wide reputable manufacturers of photovoltaic modules, inverters and batteries. We carry out maintenance on existing solar plants and provide technical training to develop knowledge based hands-on experts in order to deepen and strengthen renewable penetration in Nigeria.

We have a team that comprises of seasoned professionals in the field of electrical, mechanical, structural, system engineering and renewable energy systems.

OUR VISION

To provide electricity from solar energy for useful work.

OUR MISSION

To be the preferred energy provider company by providing affordable renewable energy solutions.

SOLAR OFF GRID SOLUTION FOR HOME USE

S\N	Description of Solar System	Description Of Load To Be Served Suitable 2-Bedroom Flats	Price
1	5kWp Solar System with 9.6 kWh GEL batteries	All the lighting points; all the fans, fridge, and freezer. Security light, 1 AC during the day, borehole. Suitable for 2 bedrooms.	₦6,949,274.29
2	5kWp Solar System with 14.4 kWh lithium ion batteries	All the lighting points, all the fans, fridge, freezer, security lights, 2 ACs during the day and 1 AC at night, borehole. Suitable for 3 bedrooms flat.	₦9,597,429.29
3	10kWp Solar System with 19.2 kWh GEL batteries	Power all the lighting points, fans, fridge, freezers, security lights, 3 ACs during the day and 1 AC at night, borehole Suitable for 3 bedrooms flat.	₦13,023,837.21
4	10kWp Solar System with 28.8 kWh lithium batteries	Power all the lighting points, fans, fridges, freezers, security lights, boreholes, 4 ACs during the day and 2 ACs at night.	₦18,320,147.21

SOLAR OFF GRID SOLUTION FOR OFFICES

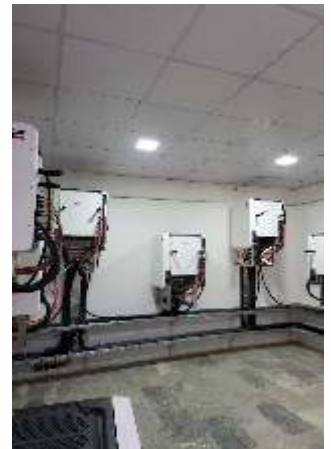

S\n	Description of Solar System	Description Of Load	Price
1	5kWp Solar System with 9.6 kWh GEL batteries	Provides uninterrupted power supply 24hours, 7 days a week to an office with 15 laptops, 10 fans, 1 AC.	₦6,949,274.29
2	5kWp Solar System with 9.6 kWh lithium ion batteries	Provides uninterrupted power supply 24hours, 7 days a week to an office with 15 laptops, 15 fans, 1 AC.	₦8,308,504.29
3	10kWp Solar System with 19.2 kWh GEL batteries	Provides uninterrupted power supply 24hours, 7 days a week to a large office space with 4 ACs, 10 fans and 15 laptops.	₦13,023,837.21
4	10kWp Solar System with 24 kWh lithium ion batteries	Provides uninterrupted power supply 24hours, 7 days a week to a large office space with 4 ACs, 15 fans and 20 laptops.	₦15,742,297.21
